CRD Core Area Liquid Waste Committee Chair Judy Brownoff

Biography

Judy Brownoff has served on Saanich Council since 1993. Brownoff started her first business in 1980 and currently operates a small consulting business, focussing on market and forum organization. She has served as CRD Board Chair (2002-2003), Health Board Chair (2002-2003) and Victoria Regional Transit Commission Chair (1996-2001), as well as various committees in Saanich, at the CRD and provincially.

Statement

I bring a strong focus on community engagement and consultation to my position as CRD Director and Chair of the Core Area Liquid Waste Management Committee. Community involvement is extremely important to my sense of how local government best operates.

In the Capital Region, my concerns include supporting local business development, choosing responsible environmental solutions, creating public greenways and a pedestrian friendly region and providing affordable housing for all residents.
